A sustainable future, jobs and economy for all of Waveney

The Climate Emergency is changing the world around us and the way we work. We have no choice other than to learn and evolve.

The collapse of employment throughout Waveney but especially evidenced all around Lake Lothing results in long commutes to find work, choked roads and damage to our environment. The poor state of public transport isolates and restricts opportunities whether you live in Beccles, Bungay or Kirkley. Regenerating our local economy benefits us all no matter where you live.

Conservative and Labour failure lies all around and cannot be hidden.

Employment wasteland ?

Tackle the Climate Emergency

The Liberal Democrats will take the urgent action needed to protect our environment making Britain a World leader in renewable energy and technology.

The climate crisis is doing irreversible damage to our planet, and our country deserves a government that has a clear, ambitious plan to tackle the climate emergency. That's the Liberal Democrats.

A Liberal Democrat government will jump-start an economy-wide programme to tackle the climate emergency. Across a five year parliament, we will spend and invest an extra £100 billion of public finance on climate action and environmental preservation.

The Lib Dems' Skills Wallet

The Liberal Democrats will give every adult £10,000 to spend on education and training throughout their lives.

Neither the Conservatives or Labour have the answers to these challenges. They are stuck pursuing 20th-century policies that simply won't work in our 21st-century economy. They would take our country backwards.

The Skills Wallet will empower people to develop new skills so that they can thrive in the technologies and industries that are key to the UK's economic future and prosperity.

Come and Join Waveney Lib Dems'

Up and down the country, more and more people are joining the Lib Dems'. In Waveney our group has grown massively as the true nature of the Conservatives has finally become apparent and Labour hedges its bets. Waveney Lib Dems are also changing to become sharper and determined to fight to regenerate the whole of Waveney. Come and help. For more details please contact us,
